About CAP

Founded in 2006 by educators Mo Hyman and Kathleen Parent, College Access Plan (CAP) is an independent 501c3 nonprofit that prepares underserved and underrepresented students to succeed in college.

Through partnerships with area school districts and local agencies, CAP provides no-cost college readiness advisement and topic-specific courses for high school and middle school students, families, and to graduates that attend college.

Sponsorship Opportunities

All levels include the opportunity to support a local organization that provides essential college access and success services to those furthest from opportunity. BONUS: it will be a fun event and your investment in underserved students also helps you reach and engage an affluent, civic-minded local audience of more than 200 community leaders.

\$20,000 Investment | Lead Sponsor
